# Build with Recyclables

## **Materials:**

Scissors

Glue

Crayons/Markers

Recyclable materials that Cub Scouts brought from home

## **Instructions:**

With Cub Scouts working in small groups, have them work together to build something out of the recyclable items that they have brought from home. Have them show off their artwork to the entire pack when they have completed them.

This activity will likely need to be given a time limit.

# Conserve Water Closing

**Materials:**

None

**Cubmaster or den leader:**

As we leave today, let's take a moment to remember what a precious resource water is, especially in the summer. We play in water, we bathe in water, and we drink water. We eat the fish that live in water. We use water for our plants and our grass. Without water, our earth would be as lifeless as the moon.

Let's all do our best this week to help conserve this great natural resource – water!

## Recycling Center

By Janet Robertson

needle

candle

crescent  
moon

lemon

snake

fishhook

boot

pennant

flowerpot

fish

flashlight

sailboat

mitten

ruler

crayon

In this big picture, find the needle, candle, crescent moon, lemon, snake, fishhook, boot, pennant, fish, flowerpot, flashlight, mitten, sailboat, ruler, and crayon.

# Recycle Song

*Tune: This Old Man*

Newspaper, magazine,  
Make recycling your routine

## Chorus

We should all recycle  
To give the earth a chance.  
We want to save this great expanse.

Plastics lids, milk jugs, too,  
Recycle bin's the place for you.

## Chorus

No soda cans in the trash,  
You can turn them in for cash.

## Chorus
